FLOW-CHART
Decision-making processes

PROBLEM   QUESTION   IDEA

You can follow those steps either individually
(as part of an advice process) or in a group of 2–3 persons.

ADVICE PROCESS

GROUP PROCESS

Taking notes during this process will help you

1 GET TO GRIPS WITH THE PROBLEM
Look for the core question! Ask someone to pose those or other open questions to you:

Why is it important for you / for your organisation? Which feeling will you have once the situation has been solved?

2 PHRASE A QUESTION
_____

_____

3 DEFINE ROLES
WHO contributes information?
Talk to:
    1. an expert   2. persons, whose work fields are concerned   3. a skeptic
WHO needs to be informed?

4 COLLECT INFORMATION
Make a list of all the facts and the feelings. Make yourself aware of biases and notice your fears.

FACTS   FEELINGS

5 DEVELOP OPTIONS & PRIORIZE
Consult externals in order to change your perspective!

6 DESCRIBE PROPOSAL OF SOLUTION
_____

_____

NO

YES

INFORM and IMPLEMENT
